

VKIDZ CONFESSION OF FAITH

Father God based on Isaiah 54:13 our VKIDZ are taught of the Lord and great is their peace. Our children walk in the abundance of what God has for them. They are obedient to their parents and those in authority. Father your word says in Psalm 91:16 that you will satisfy with long life, so we declare our children will grow to live a long satisfying life. They will grow up in the fear and admonition of the Lord. They will grow up to make impact in their communities and be productive members of society. Your word says in Jeremiah 29:11 for I know the plans I have for them, plans to prosper and not harm, plans to give them a hope and a future. Our children have Godly destinies and walk in purpose. Our children will speak with confidence. They will not be ashamed of the Gospel of Christ. We declare that our children will be the Godly influencers in their schools and amongst their friends. Like Jesus our children will grow in stature and wisdom and have favor with God and men, based on Luke 2:52 in Jesus name we pray, Amen!
